Dear Middle and High School Principals,

The Junior Apprentice program is a business summer camp for rising 8th, 9th, and 10th graders from each middle and high school in our school district. The program will be conducted at Georgetown High School from June 6 - 9, 2011.

You are requested to choose five (5) students from each grade level: **middle school principals** will choose five (5) rising 8th and 9th graders, and **high school principals** will choose five (5) rising 10th graders. The committee has decided that no one will be turned away.

The Junior Apprentice program is designed to teach students how to start and maintain a flourishing business. Also, various topics will be discussed that will help students realize what skills are needed for maintaining an efficient and effective company.

The program is modeled after the successful television show, "The Apprentice". We will establish teams with an experienced business owner/mentor for each team. Their goal will be to put together a business plan for a new business of their own idea or develop one for a Georgetown business. The teams will be required to present and hand in the business plan on Thursday, June 9th, the last day of the camp. Each business plan will be judged and prizes will be awarded. The dress code will be business casual.

Please email or fax (436-7205) all applications to me on or before Thursday, May 26th.

Respectfully,

C. A. Pringle
